What makes Sussex sparkle?

HOSTING AND ARRANGING AN EVENT IN SUSSEX
GIVES YOU SO MUCH MORE THAN JUST THE VENUE!

Historic Sussex Hotels is a privately-owned collection of three very distinctive luxury hotels set in some of the most beautiful locations in West Sussex. Each hotel is unique in style, character and history while sharing the same philosophy: to bring delight to our guests.

You and your guests will find a whole range of world-class experiences on the doorstep, just waiting to be explored and experienced. All within easy reach of London, London Gatwick and London Heathrow.

AWARD-WINNING VINEYARDS ► Learn why Sussex sparkling wine is achieving international acclaim. With 138 vineyards, open throughout the year, we can arrange bespoke tours and tastings, along with the opportunity to meet the winemakers.

THE GREAT OUTDOORS ► The South Downs National Park is on your doorstep and is full of glorious trails, paths and routes for hiking, biking and walking. We can arrange guided and self-guided trips and other interesting activities such as forest-bathing, e-biking and kayaking.

PIONEERING NATURE AND WILDLIFE PROJECTS ► Sussex is home to many leading examples of sustainable and environmental movements. These include the conservation of many Areas of Outstanding Natural Beauty and the renowned re-wilding project at the Knepp Estate.

BEAUTIFUL BEACHES AND SEA VIEWS ► You'll find some of the best coastline and beaches, and the mildest climate in the country, making Sussex the ideal county to dip your toes in English waters.

STUNNING STAR GAZING ► The South Downs National Park in Sussex is one of just six Dark Sky Reserves in England (one of only 21 worldwide).

GLORIOUS GARDENS ► There's everything from small, intimate gardens through to impressively elegant estates including Great Dixter, Charleston House and Wakehurst Place.
